Wheat Slumps At Close

EARLY ADVANCE IS BROKEN BY SELLING

CHICAGO Feb 9 (By Associated Press) Liquidating sales coupled with short selling brought about a decline in wheat prices today from early gains. Export business was small. The close was steady at the same as yesterday's close to ½c lower May $1.30⅝@1.30¾ July $1.62@1.62¼.

Subsequently selling pressure weakened and despite an increase of 1,807,000 bushels here in the visible supply the market recovered a decided setback. May temporarily going under $1.30 to $1.29¾, as against $1.34¼ earlier.

Unfavorable weather for movement of corn gave independent strength to the corn market and trade also. After opening at ⅛ to 1⅛c advance, May $1.3 to $1.30¼ corn scored slight further gains.

An increase of 1,893,000 bushels in the corn visible supply total had a depressing effect later, corn closed unsettled ½ to 1¼c lower May $1.35⅛ to $1.35¼.

Oats started up ¼ to ½ cents up May 61¼ to 61½ and later continued to point higher.

The close was weak ⅛c to ⅛c net lower May 60⅝c.

Provisions were firmer influenced by the action of hog values and corn.

EXCHANGE OPENS WEEK WITH RISING PRICE

NEW YORK Feb 9 - (By Associated Press)- Rising prices ushered in the new week on the stock market. There was a good sized accumulation of week end buying orders. American Can, American Sugar Refining, Dupont and U S Cast Iron Pipe opening a point or so higher. Coppers were taken in large blocks as a result of the improvement in the red metal market. American Smelting touching its highest price since 1917 at 105½.

Local tractions were strong in reflection of the report published by Supreme Court Justice McAvoy absolving the state transit commission of charges preferred by Mayor Hylan. United States Cast Iron Pipe established a record top at 201, up 6¼, and American Car and Foundry advanced 2½. More than a score issues sold a point or more above Saturday's final figures, the list including Baldwin and American Locomotive. The Pan Americans were heavy. Foreign exchanges were irregular, demand sterling improving slightly to around $4.77¼.

Bullish demonstrations in high priced industrial specialties on rumors of capital readjustment of those issues featured the morning session. United States Cast Iron Pipe soared 11¼ points to another record top at 206. Commercial Solvents A and the B advanced 10½ and 11 points respectively. Oils however were heavy and most of the rails were backward. Toward mid day some of the pivotal industrials, notably American Can and Baldwin Reacted on profit taking. Call money renewed at 3½ per cent.

Dempsey In Need Of Cash To Keep His New Trainer

LOS ANGELES, Feb. 9.—(By International News). — While Jack Dempsey and his bride, formerly Estelle Taylor, motion picture actress, were reported enroute to Los Angeles today from San Diego, where they were married Saturday night, rumors were afloat here that the champion will fight twice in 1925.

The fact that Dempsey is reported short of ready cash and now must support two instead of one, was pointed out as proof that the heavyweight king will at least seriously consider any offer to defend his title.

Jack Kearns, Dempsey's manager, was reported to be dickering with Tex Rickard in New York for one bout and with Los Angeles promoters for the second battle.

At the same time there was a rumor that Kearns and Dempsey were about to definitely break relations. Kearns did not attend the wedding of the champion, who was said to have recently "dodged" his manager.

FARM YOUTH ADMITS STEALING CAR HERE

Lester Bowers, 19-year-old farmer, living a mile west of Toddville, arrested this forenoon by Police Chief W C Benesh and Sheriff Thomas Avery, confessed to them that he stole the Ford touring car of C A Nelson, city fireman, living at 925 Eighteenth avenue west. The automobile was stolen Saturday night from near the Majestic theater.

Following a report received by the sheriff yesterday that the car had been found in a road near Toddville, the chief and Sheriff Avery obtained a warm clue which they followed up, resulting in Bowers' arrest and confession. The chief and sheriff went to Toddville this morning, returning with Bowers at 1:15 this afternoon.

When first questioned, Bowers denied knowing anything about the car, attempting to alibi himself by saying he was with another farmer that evening. When the other man was questioned, he denied Bowers' story and, confronted with this fact Bowers confessed. He told the sheriff and chief that he came to Cedar Rapids on the train Saturday noon, but when he missed the train home that evening he took Nelson's automobile in order to get home.

The speedometer is missing from the car but Bowers thus far has denied taking it when he ditched the automobile after a tire blew out.

A charge of larceny has been placed against Bowers. He was to be arraigned mugged and measured this afternoon.
