CORN AND OATS UP BUT FAIL TO HOLD

CHICAGO Jan 6 -(By Associ read Press -With considerable busing in progress on the part of Sept Ch'cago speculators, wheat aver OATS-aged higher today during the early May. chicago speculators. Wheat and agod higher today during the early dealings. The buying was associated with opinions credited to several large operators that the market hed reached a turning point and that within a menti any attempts to purchase large amounts of wheat for the grains. Prices at other centers, however failed to fellow the upturns here and advances were difficult to hold. The opening which ranged from '2c decline to late awance with May \$1.73\squares to \$174 and July \$1.51\squares to \$1.52 was followed by upturns of 1\squares to some cases and then by a temporary reaction in which May and July went below yesterday's finish. Subsequently, indications of a better milling and expert demand helped to give the wheat market a pronounced upward swing. Liberal cash luying at akinsas City was also a trengthening factor. The close was f.m. \(\frac{1}{4}, \text{ to } \frac{1}{4},
