RHINOCEROUS FINE **BEAUTY SPECIALIST**

If Animal Steps On Man's Face Features Will Be So Changed No One

L. Sutton of Kanaas City, noted dermatologist and African explorer warned members of the Linn County Medical society and their guests, in a talk last night in Hotel

cent enough, but I've held up'a tea biscuit and watched one kick the sods out of it without breaking the

when he comes rushing toward him, shoots him between the eyes just as the feels his hair bristling like the aprouts of a tooth brush, the speaker

ontinued. Dr. Sutton declared a rhinocerous was a rough playmate, unless one was propared to take care of him. "If If a person is not satisfied with

face, he need not consult a beauexpert, according to the explorer. I that is necessary is to go eleant hunting, and if the elephant ts his hoof against ones face, it ill never be recognized as the mer's thereafter. Customs, dresses, superstitions

iCustoms, dresses, superstitions and habits of the primitive dwellers of Africa, an insight-into the toposephy of the area. Dr. Sutton covered and a description of the plants and animals found there, were given the speaker both in his talk and storeoptican sides.

Dr. Sutton was formerly professor of dermatology at the University of Kansas, He made the trip Africa as a special representative of the University of Missouri, the has been henced with a life fei-

ye of the University of Missouri, is has been henered with a Ufe felwishin in the Royal Geographical
ciety of Great Britain, largely as
result of his studies and rare
totographs of the head waters of
a Uaso Nyairo, a river rising in
a Aberdare range on the northern
onlier of British East Africa.
Dr. Sutton conducted a skin clinic
?' o'clock. Iie examined and
escribed for twenty persons who
tended the clinic, keeping up a
nning fire of witty as well as infuctive remarks as he made each
agnosis. Local physicians say he

OE MEN "IN BAD" AS -GRADES ARE ISSUED

It's a hard life for Coe men these And, as usual, it's the co-eds, who are causing the trouble.

It all started when the registrar's office announced a few, weeks ago the comparative grade averages for the preceding semester. The fair of ing. Roofing sex, was just seven points better, on an average, than the men.

A "It was just an accident," the men semplained. the comparative grade averages for the preceding semester. The fair

only 47 sophomore men were down to 31 coeds. In the junior class there were 20 men to 17 women. Fifteen senior men were below grade and eight women. The total num-ber is 274 which is about 30 per cent of the entire student body.

Irresistible. "She has the skin you, love to

Wet paint, ch?" NOTICE OF APPOINTMENT OF ADMINISTRATOR.

State of lows, Linn County, ss: Notice is hereby given, that the undersigned has been on this 31st day of December, 1924, duly appointed and qualified as Administrator of the estate of Frank C. Dunshee, late of Linn County, Iowa, deceased. All persons indebted to said estate are requested to make immediate payment, and those having claims against the same will present them, duly authenticated, to the undersigned for allowance.

2 Murderers Saved. Four Executed For Crimes In 3 States

BUTLER, Ca., Jan. 9 .- (By Associated Press.) Just before the tires tentatively set for the execution of Gervis Bloodworth and Willie Jones here today, it was announced that the executions will not take place. Will Recognize. Them.

Beware of the wild zebra, if ever The order prevented the double in the jungles of Africa, Dr. Richard L, Sutton of Kanass City, noted the executions will not take place. A temporary restraining order was issued to establish the privacy insured under the atrangements made by the sheriff of Taylor county. The order prevented the double execution on the ground that the hanging would be public.

YOUTH EXECUTED.

COLUMBUS, O., Jan. 9.—Joseph C. Kane, 21, Youngstown, was electrocuted in the Ohlo penitentiary Montrose, featured by humorous de-tails of his adventures in the dark continent.

"The striped beast may look inno-park Feb. 24,-1834.

BOYN ELECTROCUTED.

mscurt and watened one kick the soda out of it without breaking the crust," he declared.

The way to shoot a lion, according to Dr. Sutton, is to kill a zebra and leave him as bait. Then the hunter comes out heat morning, finds his lion, seizes a high-powered ritte, waits calmly for the animal, and when he comes rushing toward him when he comes rushing toward him

MURDERER DIES TODAY. SAN QUENTIN, Calif., Jan. 9.— (By Associated Press.)—As Walter Yeagor prepared to approach the gallows here today to explain for the killing of Clarence Pickett, a traffic policeman, who was shot to doath near Madera, Calif., in 1923, when he attempted to arrest Yeager, approaches proximately twenty traffic police from the San Joaquin valley gath; ered about the scatfold to witness the execution.

Appropriate. "What shall we have for the grand Amazon march?"
"The music of the spears."

Since there are a few weeks not yet taken, what's the matter with having a Cive us a restweek?—Birm, ingham Age-Ilerald.
