

Increasing cloudiness tonight, becoming unsettled Wednesday; rising temperature.

Current Comment

The Way To Save.

President Coolidge wants to see a reduction of sixty-two millions in the government's anticipated expenditures between now and the end of June.

The ordinary business man, possessed of an average sense of efficiency, could wander through the larger federal departments in Washington and easily be convinced that the staffs might well be twenty-five per cent smaller without injury to the results obtained.

Workers Co-operate.

The Carpenters' union of Lynn, Mass. at a special meeting Saturday voted against a proposed wage increase of fifteen cents an hour.

Costly Abuse.

Arthur Lorenz, former editor of the Illinois State-Zeitung, Chicago, called the American Legion membership "rampant, vagabonds and bums."

Silencing The Guns.

A gun-toter yesterday was taken before Chicago court where he pled guilty to a charge of carrying concealed weapons.

Shifting Shoes.

The Chicago Bar association follows a special committee of the American Bar association or vice versa, in worrying because of the allegation that the newspapers are guilty of the crime of publishing news and are thwarting the administration of justice.
