**Can You Pass This Test?**

Forty men and women out of every hundred are handicapped by their own efforts - they have Anemia and don't know it.

To live successfully you need rich, red blood - blood that gives you a vigorous life with energy.

Gude's Pepto-Mangan, with its iron and manganese content, for thirty-two years has been the only standby of thousands of physicians. Easily assimilated by the blood, it quickly restores the latent power of run-down bodies.

Your druggist has it in liquid or tablet form. Start now!

Press flesh between hand and thumb. If the hand does not return immediately it indicates Anemia.
