MOUND FARM FOLK WANT STREET CARS

Present Petition To Council For Transportation; Commissioner Gives Promise Of Action.

An old issue was 'revived today' when the city council received a petition with 15\$ signatures, representing 500 residents of the Mound Farm district who want a motor bus line or some other "reasonable and adequate transportation" to supplement the street car fervice that ends in Sixteenth street at the Milwaukee tracks.

This was the language of King David after the death of Abner and adequate transportation" to supplement the street at the Milwaukee in Sixteenth street at the Milwaukee tracks.

The petition sent the council is a duplicate of one received by the Cedar Rapids and Marton City Railway company. It is signed by Frank T.

Warnimont and D. W. confer. president and secretary, respectively, of the Mound Farm Community club, which for several years has been trying to obtain additional transportation facilities.

This writer had known him ever since he came to Cedar Rapids and considers it a privilege to have been classed as one of his numerous friends. He was always the same courteous, unassuming gentleman in whatever society he might be placed, and we might say of him in the language of the poet.
