

Tigers Add Another National Title To Long List In Northwestern Meet

INDOOR CROWN ADDED TO GRID, OUTDOOR AND BASKET TITLES

Quartet Of Novak's Youngsters Uncork A Surprise At Evanston; Windup Indoor Campaign With 1,000 Per Cent Mark.

BY EARL COUGHLIN.
SOME DAY in the future—near or distant—a Washington high track or football team is going to fall in the dust and be trampled on, and when that day arrives the populace will arise as one and ask, why, what in the world happened?

The day of reckoning, however, does not appear in the immediate offing. This conclusion is based on Saturday's performance in Evanston when four of Novak's blue ribbon athletes annexed another national championship—so called, or otherwise—when they captured high honors in the Northwestern indoor meet.

In scoring twenty points to lead the cream of Chicago's prep stars as well as those of Peoria, Champlain and other Illinois, Iowa and Indiana schools, the quartet composed of Zvacek, Stamatis, Harper and Lebel accomplished something that even last year's sterling team headed by Bab Cuhel could not achieve.

And they jumped.
Last spring Lottus Cuhel, Murrel and Butterfield was conceded a right smart chance of copying the indoor title, but it was forced to second place by Hyde Park.

This year it was believed the experienced Orange and Black tribe would not rank among the leaders, but by placing in seven events the quartet of youngsters maintained the pace established by Tiger title winners of other days.

In winning at Northwestern the local tracksters wound up the indoor season with a 100 per cent record. They captured the Iowa interscholastic meet with ease won the one-mile relay at the Illinois carnival and finished in a blaze of glory at Evanston.

National Records.

Although some of the titles may be open to dispute, Washington high records show the Tigers to have won the following national championship titles in the last few years:

- Two outdoor track titles
- One basketball crown
- One football championship
- One indoor track title
