

Local Sport Calendar A Blank During Next Few Weeks

TRAINING OF TRACK, BASEBALL TEAMS IS THE ONLY ACTIVITY

Kohawk Pastimers And Cinder Path Squads To Open Next Week; Boxing Show April 17 Will Break Spell; Preps Set For Drake.

THE NEXT few weeks promise to be one of the "deadest" periods of the year in a sport way so far as Cedar Rapids is concerned. Athletic contests of any kind are conspicuous by their absence from the calendar and it will be a case of sit tight until the open season moves in.

The only activity for the next fortnight will be that of training the various track teams and Coe's baseball nine for the spring campaign. The Kohawk pastimers are billed to get underway midway in the month and the Cinder path squads will be in the field by the first of May. The Washington mentor probably will enter teams in all high school events while Grant's entry list doubtless will be confined to the quarter and half-mile relays.

Boxing Show April 17. The period of inactivity will be broken for a brief spell April 17 when Frank Whitney will offer his second amateur show in the auditorium. Whitney proposes to present Godfrey Hejdel and Joe Rivers in the feature bout, of the show which should entice quite a gathering of customers in the first street arena. The decision to train the Bunny club in Peoria this year will set the season back a couple of weeks. Hereafter the rail birds found it convenient to collect in the west side emporium late in April, but this season the lot will be vacant until a day or so before the race starts on May 6.

Some relief will be offered next week when the major league pennant grinds get underway, but newspapers and score boards will have to cover the situation until a later date.

LEWIS AND MONDT MEET IN TULSA TONIGHT

TULSA, Okla. April 6.—(By Associated Press.)—Ed "Strangler" Lewis, former world's heavyweight champion wrestler and Joe "Toots" Mondt will wrestle two out of three falls to a finish here tonight.

WATERLOO AWAITS ACTION ON DIXON

WATERLOO, April 6.—(By International News.)—Waterloo baseball fans are wondering today if the recent suspension of Cletus Dixon, 1924 manager of the pennant-winning Hawks, and a later agreement that Dixon would be reinstated, will delay the training season here and reduce the chances of Dixon building up another champion team.

Dixon has not yet been informed officially of his reinstatement although the training season is due to get under way within three weeks. The Hawk pilot was suspended because of an alleged conspiracy with Ovid McCracken, former pitcher, now with the Milwaukee Brewers, to play McCracken's salary in excess of the league's salary limit.

Dixon has been in close touch with the directors of the club as well as the players under contract, but will not be permitted to actively take charge of the team until action is taken on his suspension.

M. H. Sexton, president of the association of minor leagues, is understood to have recommended to the national commission that the suspension be lifted. It is probable that in its place a fine will be imposed on the Hawk pilot.

GIANTS AND MEMPHIS DRAW AT ELEVEN ALL

MEMPHIS, Tenn., April 6.—(By Universal.)—The New York Giants, and the Memphis Chicks battled to a tie in the first game of the season, which was held at the Municipal stadium here yesterday. The score was 11 all after one of the most thrilling and spirited games that was ever played in the stadium.

Clarence Griffin did the alleged pitch.

Forty Columbia Gridders Train In Spring Drill

DUBUQUE, April 6.—Despite the counter-attractions of baseball and track Coach Eddie Anderson of Columbia college has a squad of 40 gridders who are training for the football season. The gridders are training in the gymnasium every night. The spring training which was started last week will continue until the middle of May, stated the coach.

The program marked out for the men on the training squad is exactly the same as the routine for the months from September to December. Sprints, wind sprints, and sign practice are seen every night at Columbia. Never before has such a strenuous program of spring training been attempted at Columbia.

The following men have signed up for the spring training: Gallen Thomas, Fred Schmidt, Matt Kelsh, Louis White, Bernard White, Jack Carter, Carl Schaeffer, Dick Dorsey, Frank Milne, Tom McGuire, Andy Evans, Edward Hussey, Art Goebel, Bill Bauer, Jim Regan, Dominic Amecio, Vendell Russell, Ray Phil, Elmer Schmale, Holmberg, Walter Tschirgi, and Captain Al Entinger.

RED PEPPERS

HOT SPORT CHATTER BY "EABE"

The first all-star team selected at the national inter-scholastic basketball tournament in Chicago includes the name of a player with whom many of Leo Novak's athletes are well acquainted. Jeffries of Louisville du Pont Manual, chosen as one of the forwards, was the outstanding player of Kentucky eleven in last year's football game. Potter, given honorable mention at Chicago, also played against the Tigers.

Campus gossip at the University of Wisconsin is confined almost entirely to a recent incident that happened in connection with the Badger cage five which ended the Big Ten season in the cellar. It was started by Coach "Doc" Menzies at a banquet last week when, before an assemblage of several hundred business men, members of the coaching staff and faculty, he asked to introduce the players, and say a few words of praise. But—

Instead of chanting their laurels he gave the team a regular slap in the face by characterizing the members as "dead" numbers, and refusing to introduce the men. He then went on to say that in all of his thirteen years of coaching he never had before suffered such humiliation in the conference standing.

ing for the Memphis lads while Jack Bentley, Howard Baldwin and Bill Ryan were the curvies for Gotham. The Chicks took special delight to the slants of Baldwin and his so-called "iron man" who peppered hard, often and to all quarters before Ryan was called to the rescue.

The Giants left off Birmingham, Ala., where the series between them and the world champion Senators will be resumed today.

LOS ANGELES, Calif., April 6.—(By International News.)—With the date of their match only three days off, Ace Hudkins, dubbed the "Nebraska Wild Cat," and unofficial lightweight champion of the Pacific coast, and Joe Benitez, one of the best lightweights in the west, today were going through their last heavy training tricks for their bout of Thursday night. Beginning tomorrow the fighters will engage in light workouts, such as road work, if the weather permits, and a few rounds of boxing—just enough to keep them in trim.

Elizabeth Doyle, who is staging the match, stated today that the fight would be held in the Vernon coliseum. The original plan was that the fight would be staged in the city hall, but that plan has been found inadvisable and the match will be held at night.

The Vernon coliseum has a seating capacity of 1,000 and it is expected a capacity crowd will attend.

FORT WORTH.—Dr. Frederick A. Cook, explorer and oil promoter, died here yesterday of a heart ailment after a long illness of fourteen years and nine months for fraud by mail.

HOUSTON, Texas.—Lieut. John S. Broussard, 24, Ellington field flyer, was killed when his plane slipped and he was dismounted from his plane and plunged into the whirling propeller.

BRUSSELS.—Premier Theunis handed to the king the resignation of the cabinet.

AMERICAN TRIUMPHS SCARCE IN ENGLAND

Hidden Only One To Win In His First Attempt; Miss Collett Next To Try.

NEW YORK, April 6.—(By Universal Service.)—Speculation is rife among followers of the links game as to whether or not Miss Glenna Collett, former national titleholder, will be successful in her coming invasion of Great Britain.

It is pointed out that Helen Williams, national tennis champion, was not quite equal to the task of winning the championship at Wimbledon last year although she did annex the Olympic championship in Paris.

If we take the time and trouble to scan the athletic records of the last decade we find that very few American athletes have been successful in their attempt abroad. Tilden, national tennis champion has been the first man in the history of lawn tennis who has won at Wimbledon on his first invasion. The famous racket welder and movie star annexed the Wimbledon classic in 1924, defeating J. C. Nottola of South Africa in a five set match that had the spectators spell-bound every second and the players were in action.

Jean Borotra, French ace of the courts who is likely to carry the indoor national singles championship back to France with him when he returns next month, has played at Wimbledon for the last six years yet he succeeded in winning his first Wimbledon championship only last year. Balls, courts, climate and everything else are different from the other countries and unless acclimated you are bound to slump.

The same holds true in golf. Miss Collett probably does not realize the obstacles that will be in her way on her first invasion.

Henry Wingfield, manager of the Burlington team last year, is going great guns as catcher of the Shreveport team of the Texas league. In exhibition games with the Chicago White Sox yesterday and Saturday, the ex-Bee pilot exploded three base hits in each combat along with a couple of singles. Wingfield ranked fourth among the "Slip" hitters last year with a mark of .354. The reason for his release at Burlington never was entirely explained.

BOHEMIAN PROGRAM BROADCAST TUESDAY

16th Avenue Commercial Club In Second Radio Concert Of Bohemian Music At WJAM, 7-8.

Tomorrow night the second program of Bohemian music by representative Bohemian artists of Cedar Rapids sponsored by the Sixteenth Avenue Commercial club will be given from WJAM between the hours of 7 and 8 o'clock.

Among those on the program will be Frank Kubovec and his orchestra. Miss Bessie Buresch, Miss Martha Bessie, vocalists and Miss Evelyn Schenck, pianist.

As before, the numbers have been arranged by John Fiedler, chairman of the committee of the club. In charge, Ted Hubbeck, adept at both English and Czechoslovakian languages will make the announcements in both tongues.

Mr. Kubovec and his players form one of the finest orchestras of their kind in the city, and are at their best when playing the works of the great Bohemian masters. In order to accommodate all the members of the organization, they will bring in front of the Gazette's microphone on the orchestra stage of the Grand ballroom, and broadcast from there by remote control.

Classics, with a regard for some of the request numbers asked for at the last program, will be played.

Miss Buresch and Miss Bessie will sing two duets, accompanied at the piano by Miss Kvitka, as follows: "Kde Potok Lucino" by K. Kotele, and "U Studanki Sodelka" by Louis Vitak.

Although atmospheric conditions, and interference from an out-of-town station, prevented clear reception in some quarters, the first program of Bohemian music given by the Sixteenth Avenue Commercial club several weeks ago was exceedingly popular. Many requests were made that these concerts be made a regular feature from The Gazette station.

The Sixteenth Avenue Commercial club was formerly the West Side Industrial club, having changed its name at a meeting following the last radio program.
