VETERANS EXPECTED TO CHECK IN AT CAMP BEFORE NIGHTFALL

Club To Drill With Tractors Until Thursday; Rookies Come From All Parts Including California; Two Vets Will Report Late.

PEORIA, Ill., April 20.—(Special)—Peoria became the home of another band of diamond pastimers today when members of the Cedar Rapids club began trekking in from all sections of the country to start training for the fourth annual Mississippi Valley pennant chase.

Manager Speas arrived on the ground yesterday and established temporary headquarters at the Har old hotel. The sunny pilot made the trip from Toledo by automobile and was accompanied by one Sammy San derson, an Ohio rookie, who expects to win a regular berth with the low ans.

**Eight Report Early.**  
A check up early today found eight members of the flock in camp. Those on the register besides Speas and Sanderson are Forrest Bundy of Bachus, Minn.; Joe Huerte and John Arambel of Santa Anne, Cal.; M. Stempel of St. Louis; S. W. Knight, Vermillion, Iowa; K. R. May nard, Austin, Minn.; and C. H. Heir of Clinton, Ill.

Those reported in this morning were rookies, but it was expected that nearly all men under contract including veterans of last year, will be on hand by nightfall. ## Hawks Doped To Beat Purple In Big Ten Setto

**Special To The Gazette.**  
IOWA CITY, April 20.—Iowa, hav ing swallowed its defeat at Evanston in its second conference tilt today. Although Northwestern has already played three Big Ten games, they are not counted as remarkably strong team, and their greater experience has not expected to give them any cinch over Iowa.

It is not likely that Coach Otto Vogel will ask his sole veteran, Hub Marshall, to pitch another game, al though with a Sunday's rest, the old timer might carry a part of the twirling burden. Fauba, Adams or Sheakley is expected to receive a part of the punishment.

The Purple tumble through Wiscon sin last Tuesday 7 to 4, has hurt their morale a little, although they have six better men back this sea son. Last year Iowa defeated them 8 to 3 at Peoria in the only game played. The other was cancelled when the Purple equipment was lost in transit.

**RUTH REPORTED AS STEADILY IMPROVING**  
NEW YORK April 20.—(By In ternational News)—Although Babe Ruth was reported today as steadily improving at St. Vincent's hospital, there was little hope expressed that he would recover from the effects of his thrombosis and recent operation to return to the barks before the first week in May.

The big hitters recovery was as sessed as being very good, and his team's performances in recent games.

STARS IN DRAKE RELAY MEET

ABOVE are four of the athletes who will vie for honors with 2,500 of the nation's stars at the 16th annual Drake University relay meet, which will be held in the Drake Stadium, at Des Moines, April 24-25.

Captain James Pierce, of the Ohio Wesleyan squad, ranks as one of the stellar college athletes in Ohio at the time he was a member of Coach George Gauthier's squad that captured the mile college relay at the Penn games last year. The Methodists are coming West this month seeking new worlds to conquer.

Schwarze, of Wisconsin, is the favorite to win the shot put at the Drake meet this year. The Badger giant has been tossing the pill regularly around 47 feet in indoor meets. The present Drake meet record in the shot put is held by Puma, of the Kansas State Teachers' college, whose heave last year measured 43 feet 8 1/2 inches.

Coach Alfred Wilson of Drake, is counting on Huff to win points for the Bulldogs in the high jump and broad jump.
