

Transmit Story Of Race As Seen From Airplane Cockpit

Another radio broadcasting achievement was recorded this week when WGY, of Schenectady and WJZ of New York, in a co-operative wire hook-up, retransmitted from a plane a story of the race of Gar Wood's speed boats against the running time of the Twentieth Century Limited from Albany to New York. For the first time in the history of broadcasting a news agency used Limited from Albany to New York. For the first time in the history of broadcasting a news agency used broadcast reports as the basis of builetins to its member papers. A representative of the Associated Press in the studio of WJZ received information on the property the nformation on the progress of the

could not always tell, from a dis-lance, which was the first section. Listeners were able to hear not only the description of the plane announcer but also the conversations between shore announcer and the army officer. When the transmis-sion from the aircraft became blurred and indistinct, the shore anmouncer repeated the comments. Toward the end of the race, the telephone description was supplemented by tode transmission. In this case the code was translated and the ground announcer gave it to the

KFI Broadcasts Bands At Shrine Conclave This Week

ANGELES, June 1-The LOS ANGELES, June 1—The Shriners of the nation are now gathering in Los Angeles for their annual convention One of the features of this year's brilliant affair will be the nightly broadcast from KFI of representative bands and chanters. The first locality to be represented was Oklahoma City, whose India Temple Band and

chanters made its radio debut Saturday evening, May '30th.

Vivid Travel Tale

Press in the studio of WJZ received information on the progress of the race.

Owing to the unexpectedly early clart of the race, the beginning and the first twenty miles were not covered by the air reporters. Prom Hudson down, Capitain H. M. McCleiland, in an army De Haviland plane, detailed by Major William Hensley, fr. kept the radio listener posted on every phase of the race, this in spite of the difficultes of observation from 200 feet in the air on a course partly obscured by fog. Lieut. S. M. Connell piloted Capitain McCleiland and was forced many times to return up the river to pilct up the Gar. Wood boat.

The store of the control of the signals were picked up at Alband on 350 meters wave length. The signals were picked up at Alband the plane transmitted the signals and held the plane until it reached Harmon, where a third receiving station operated by engineers of WJZ at Van Cortland park, retransmitted the air report.

Each of the three receiving stations was connected by wire directly to the transmitter of WGY and WJZ. The weak signal from the plane, when received at one of the world. The course of the usual trade winds the plane, when received at one of the life body of the plane, when received at one of the life body of the plane, when received not one of the signals and held the plane until it reached Harmon, where a third receiving station operated by engineers of WJZ at Van Cortland park, retransmitted the air report.

Each of the three receiving stations was connected by wire directly to the transmitters of WGY and WJZ. The weak signal from the plane, when received at one of the coast of south America, out of the plane, when received at one of the coast of south America, out of the plane, when received many the plane transmitters of WGY and WJZ and the plane transmitter of the plane transmitter of the plane transmitte

3rd Anniversary

Cedar Rapids is coming to the front! Events are happening fast!

All of Linn County is at attention—on their toes! The new Court House is complete!

The improvements complete and in progress on Linn County roads reflect the kind of people resident here. A new Memorial-City Hall-Auditorium is very much in prospect—almost a reality.

The greatest Rodeo and Frontier Days ever attempted this side of Cheyenne is coming—and we don't mean maybe. Ride 'em Cowboy!

Balloon Tire Size

Now we are going to celebrate all these and one other event with a rousing Anniversary and Rodeo Sale for the Checker Motor Supply, Inc. is three years old June 1st.

When you get the news, you'll want to help—but when you see the prices, you are bound to!

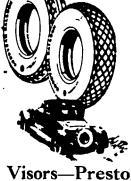

It will be a bull-dogging, rough-riding, free-for-all; the kind that has never happened and may never happen again. Get on your spurs and get here quick.

and Rodeo Sale!

have you ever had an opportunity to buy GoodyearAll-Weather Cords and Heavy Tourist Tub

like these? Goodyear All-Weather Cords are seldom included in sales but this is our Anniversary Rodso Sale. Buy a season's requirements now.
